FOR IMMEDIATE RELEASE

Light Doctor Changes Business Name to Luminal Lighting

New Name Reflects Successful Growth of Company and Reinforces Focus on Serving Commercial and Institutional Clients

MOUNTLAKE TERRACE, Wash. – June 12, 2014 – Light Doctor, LLC, today announced that it has changed its operating name to Luminal Lighting. The new brand reinforces the company’s focus on business-to-business service and sales. The company’s ownership, management, place of business and service offerings remain the same.

“We’re excited about introducing the Luminal Lighting brand to our clients,” said Mike Moroney, Luminal Lighting’s President and CEO. “While our team is genuinely proud of the success we’ve achieved under the Light Doctor brand, we wanted to move forward with a company name that more closely reflects our focus on serving commercial, institutional and industrial clients.”

Luminal Lighting provides lighting design, installation, maintenance and retrofit services. The company has excelled at serving a wide range of clients, including school districts, office parks, banks, retail, military bases and more.

About Luminal Lighting

Founded in 1980, Luminal Lighting (formerly named Light Doctor) delivers a full range of lighting services and products to commercial, industrial and institutional clients throughout the Pacific Northwest. The privately held company provides lighting design, installation, maintenance, retrofit/upgrade and recycling services. Luminal Lighting’s skilled team helps customers increase energy efficiency and enhance the appearance, functionality and safety of their interior and exterior environments. Luminal Lighting is an active member of the Professional Lighting and Sign Maintenance Association (PLASMA), the Building Owners and Managers Association (BOMA), and the Master Builders Association (MBA). The company is also a licensed recycler authorized by the Washington State Department of Ecology. More information is available at www.luminal.com.
